GETTING STARTED

INITIAL APPOINTMENT
Your letter of appointment (or Statement of Terms and Conditions for temporary faculty) spells out beginning and ending dates of initial appointment, classification, salary, rank, time base, teaching load, assigned department or equivalent unit, and special conditions. Read it carefully; if you have questions, address them immediately with your department chair or school director. All paperwork related to your appointment (including evaluations) is stored in your Personnel Action File, which is housed in the Office of Faculty Advancement (for tenured and tenure-track faculty members) or your department chair’s office (for temporary faculty members). See PAF policies here.

SIGNING IN
When you first arrive at SDSU, sign in at the Center for Human Resources, which is located at 5701 Hardy Avenue, on the 4th floor of the Extended Studies Center (x4-6404). (New faculty for the Imperial Valley Campus may sign in with the Director of Business Services on the Calexico campus.) Prior to your arrival, you should complete all preboarding packet forms and the I-9 form electronically, as outlined in the email you received from the Center for Human Resources. Bring your identity and employment eligibility documents. To facilitate social security number and name verification for tax reporting purposes, employees must present their Social Security Card or alternatively, information necessary to conduct verification via the Social Security Administration’s Employee Verification System.

IDENTIFICATION
Forms for a faculty identification card and “Red ID” number may be obtained from your department coordinator; the ID card is required to obtain keys and parking permits. Imperial Valley Campus faculty IDs may be obtained from the Library at the Calexico campus.

PARKING
Parking permits are required all year unless otherwise noted and may be purchased online through the Aztec Parking Portal. The demand for parking spaces is especially high at the beginning of the semester and on Tuesday and Thursday mornings. For parking locations, visit the Where Can I Park section of the Parking and Transportation website. Faculty parking permits are not required at the Calexico or Brawley campuses.

KEYS (AND MAGNETIC KEY CARDS)
Keys are issued by Key & Card Access Services at the University Police Department (outside windows). At the Calexico campus, keys are issued by the Cashier’s Office in the Administration Building. Authorization slips may be obtained from your department chair/school director. Keys must not be lent to any unauthorized person or duplicated. Lost or stolen keys must be reported to the SDSU Police Department immediately.

EMAIL
Upon clearance from the Center for Human Resources, an SDSUid Account, including email, will be initiated. An email from donotreplyidm@sdsu.edu will be sent to the non-SDSU email address providing a temporary activation code and further instructions. Contact Enterprise Technology Services (ETS) Help Desk for assistance with email and other web-based services. For assistance with computers and computation on the Imperial Valley Campus, call 6-5608 or go to Computer Building 107, Calexico campus.
MAIL
Incoming mail should be addressed to you including department name and mail code. Only official outgoing mail is accepted for payment of postage. Each first class mail piece must exhibit an account number and barcode on the reverse side of the envelope. For assistance (including bulk mailings), see your department coordinator. Intercampus mail envelopes are available in your department office; utilize the individual name and campus Mail Code (MC) identification, which can be provided by your department/school office.

TELEPHONE
All main campus phone numbers are in the 619 area code and begin with 594; they may be dialed from campus phones by using 4 and the extension. Phone numbers for the Imperial Valley campus are in the 760 area code and begin with 768; they may be dialed from campus phones by using 6 and the extension. An authorization code—obtained from your department / school—is required for all long distance calls. Faculty and staff contact information can be found online on the Campus Directory Search page.

CHILD CARE
The SDSU Children’s Center is housed in a state-of-the-art facility, licensed by the California Department of Social Services Community Care Licensing Division (License # 370805130/370805244). Priority is granted to families of SDSU students, faculty, and staff. Tours of the facility are provided on the second Thursday of the month at 5 p.m., as well as the first Wednesday of each month at 9 a.m. All professional full-time staff members and part-time Associate Teachers possess current State of California Children’s Center Permits authorizing them to work with children between 6 months and 5 years of age.

DIVERSITY AND INCLUSION
SDSU supports several initiatives to actively improve diversity and inclusion on campus. These include Student Resource Centers, Employee Resource Groups, implicit bias trainings, academic diversity councils, academic unit-based diversity planning, inclusive pedagogy learning opportunities, and a campus wide pledge to create a more welcoming environment for African-American community members. To learn more, visit diversity.sdsu.edu.

ENVIRONMENTAL SAFETY
As employees, faculty members are entitled to a safe working environment and have the "right-to-know" about potential workplace hazards. They also have the responsibility to be aware of general and job-specific safety procedures, to be knowledgeable about hazards, and to be vigilant in observing and reporting conditions that may be hazardous or unsafe to them, their students, or their coworkers. In compliance with Cal/OSHA, a written campus Injury and Illness Prevention Program (IIPP) is available on the Environmental Health and Safety Web site. Faculty must report injuries immediately and ensure that a Supervisor’s Report of Work-Related Accident/Illness form is completed and sent to the Center for Human Resources.

VEHICLE USAGE FOR UNIVERSITY BUSINESS
Drivers must have completed the Defensive Driving training course to use rental cars or to be reimbursed for personal car use while on university business.
BENEFITS

• **Health Insurance**: The university contributes to medical, dental, vision, life, and long term disability insurance programs. All new probationary faculty members at a time base of .50 or more for at least six months and one day, or lecturers at a time base of .40 (equivalent to six weighted teaching units) or more for one semester, are urged to take advantage of these benefits. Enrollment must occur within 60 calendar days of employment. When the university announces an Open Enrollment Period, continuing employees may change their benefits. Inquire at the Center for Human Resources (4th Floor, Extended Studies Center, x4-1144).

• **Sick Leave**: Accumulated at the rate of eight hours (one day) per month, prorated for less than fulltime. Upon completion of a qualifying pay period, a faculty member may use sick leave up to the accumulated amount for personal or family illness (up to 40 hours without special approval). All sick leaves must be reported to your department coordinator. Faculty members are expected to use sick leave when they are absent from classes, scheduled meetings, or other official activities due to illness or medical treatment.

• **Bereavement**: In case of death within the immediate family, five days of bereavement leave (not charged to sick leave) are available. Bereavement leave may be supplemented with up to 40 hours of sick leave.

• **Vacation**: Faculty working on an academic year basis do not accrue vacation. Full-time faculty working on a year round basis 10-month and 12-month appointments accrue vacation leave at the rate of sixteen hours (two days) per month, prorated for less than full-time. All vacation leaves must be reported in PeopleSoft. Vacation credits are cumulative to a maximum of 320 working hours for ten (10) or less years of qualifying service or 440 working hours for more than ten (10) years of such service. Accumulations in excess of this amount as of January 1 of each year shall be forfeited by the faculty member. After one (1) full year of employment, a faculty unit employee shall take at least 40 hours of vacation each calendar year. Any part of the 40 hours not taken during the calendar year shall be forfeited as of January 1 of the subsequent year.

• **Parental Leave**: All faculty members are entitled to a maximum of 30 days of paid parental leave, which commences within a 135-day period beginning 60 days prior to the anticipated arrival of a new child (through birth, adoption, or foster placement) and ending 75 days after the arrival. This leave is charged only for workdays and may be supplemented by 15 days of earned sick leave. A tenured faculty member is entitled to a maternity/paternity leave without pay for up to 12 months; upon request, the President may grant an extension. For complete information, see the forms available on the Work/Life page of the Faculty Advancement website.

• **Family Care**: A faculty employee who has at least two semesters of service is entitled to a family care or medical leave without pay for a total of 12 weeks in a 12-month period.

• **Retirement**: Faculty members are required to participate in the California Public Employees Retirement System (CalPERS). For further information regarding retirement programs and benefits, contact the Center for Human Resources, Benefits Services, x4-1144.
• **Domestic Partnership:** Registered domestic partners are eligible for all benefits negotiated for faculty at SDSU. In addition, health insurance and retirement benefits through CalPERS are equal for spouses and domestic partners and their dependents. For further information, contact the Center for Human Resources, Benefits Services at x4-1144.

• **Employee Assistance Program:** The [Employee Assistance Program](#) provides cost-free, confidential counseling and other services to all employees and their families. EAP offers help on relationship and marital issues, emotional/psychological issues, parenting and eldercare, substance abuse, balancing work and life, legal or financial issues, and a wide range of other services that help faculty manage stress and be productive members of the campus community.

• **Fee Waiver Program:** Tenured and probationary faculty and temporary faculty with three-year appointments (or a spouse/domestic partner, or dependent child) may take a maximum of two courses or six units per semester, whichever is greater, on the fee waiver program. For more information, see the [Tuition Reduction and Fee Waiver Program](#) page on the Center of Human Resources website.

• **Leaves of Absence without Pay:** Personal leaves of absence without pay may be granted to supplement sick leave or parental leave, to take temporary outside employment, or to address issues of a personal nature. Professional leaves of absence without pay are for the purposes of research, study, professional development, or other purposes of benefit to the university. Applications for both tenured and probationary faculty and temporary faculty may be found on the Faculty Advancement website.

• **Sabbatical Leave:** A faculty member is eligible to be considered for a sabbatical leave after serving full time for six years in the seven-year period prior to the leave. Sabbatical leaves are awarded on the basis of scholarly merit and for purposes that provide a benefit to the university. Each September, Faculty Advancement publicizes the deadline for submitting applications. There are two types of sabbatical leave: one semester at full pay or two semesters at half pay. Visit the [Leaves](#) page of the Faculty Advancement website for more information.

• **Difference-in-Pay Leave:** A faculty member is eligible to be considered for an initial difference-in-pay leave after serving full time for six years in the seven-year period prior to the leave. Faculty may apply for subsequent difference-in-pay leaves after serving full time for three years following an initial sabbatical or difference-in-pay leave. Difference-in-pay leaves are awarded on the basis of scholarly merit and for purposes that provide a benefit to the university and may be approved for one or more semesters. Salary while on a difference-in-pay leave is based upon the difference between the faculty member’s current salary and the minimum salary of the Instructor rank. Visiting the [Leaves](#) page of the Faculty Advancement website for more information.

**California Faculty Association**
The [California Faculty Association (CFA)](http://www.californiafaca.org) represents the 23,000 professors, lecturers, librarians, counselors, and coaches who teach in the CSU system. The San Diego State chapter of the CFA (cfa@mail.sdsu.edu; x42775) is also the local chapter of the [American Association of University Professors (AAUP)](https://www.aaup.org), which aims “to advance academic freedom and shared governance, to define fundamental
professional values and standards for higher education, and to ensure higher education’s contribution to the common good.” Faculty may contact CFA to file a grievance if they believe that they have been wronged by a violation of an article of the CBA or in connection with the rights accruing to their employment.

**Reappointment, Tenure, and Promotion (RTP)**

Reappointment, tenure, and promotion-related evaluations and reviews are guided by the university, college, and departmental policies and procedures, which are available on the Evaluations page of the Faculty Advancement website. Please speak with your department chair/school director and with your dean regarding policies and expectations in this important area. Your department or school will notify you about the timelines and request materials to be reviewed by the peer review committee and appropriate administrator. Note that a faculty member may petition to “stop the clock” when they are on paid or unpaid leave for part or all of an academic year. If you are interested in this option, contact the Associate Vice President for Faculty Advancement (x4-6111; facultyadvancement@sdsu.edu).

**Separation**

Faculty members who prepare to leave university employment must complete with their chair or director a Separation and Clearance Process that includes returning all university property and access cards/keys to university facilities and making arrangements for medical benefit coverage and final paycheck. For more information, visit the Separation and Clearance Process section of the Center of Human Resources website. The Provost requests the courtesy of an exit interview from tenure-track faculty who resign, as does the Dean of the Imperial Valley Campus for Calexico campus faculty.

**Teaching**

**Center for Teaching and Learning**

The Center for Teaching and Learning is an invaluable resource to temporary, tenure-track, and tenured faculty. Visit the [website](#) to access resources on syllabus and course development, peer evaluation, inclusive pedagogy, and other vital issues, and to sign-up for email notices of upcoming CTL events. CTL also has an on-line teaching orientation course you can access [here](#).

**Course Schedules**

Fall, spring, and summer class schedules with real-time enrollments are published each semester on the Class Schedule website. Faculty may not change the time and place of meetings and examinations without advance approval by your department chair/school director. Classes should not be cancelled except in cases of emergency, such as illness, and then only after notifying the department chair or school director and administrative coordinator. In all cases, CSU policy prohibits an individual instructor from dismissing classes as a demonstration in support of a particular social or political movement.

**Student Registration**

The last day to add or drop classes is the twelfth day of the semester at 6:00 PM. The last day to change the grade basis to credit/no credit or withdraw from the university is the twelfth day of the semester. Students make their schedule adjustments through the online registration system in the [SDSU WebPortal](#). Students not registered for a class often try to add it during the schedule adjustment period.
A “wait list” process has been created to prioritize student add requests to support student success and timely graduation.

**Course Syllabi**

Instructors shall provide students with access to the syllabus at or before the first class meeting. The syllabus should include the course’s purpose, scope, and student learning outcomes, office hours and contact information for the instructor, current procedures for accommodating students with disabilities (see [Student Disability Services](#)), required materials, schedule, and grading policies, which may vary by section. The instructor shall retain the right to adjust the course design. Major departures from the syllabus however, especially in regard to student learning outcomes, major assignment due dates and exam dates, and grading policies, shall be made only for compelling reasons. Instructors must provide their department/school office with a copy of the most recent syllabus for each course they teach (See [Senate Policy File](#), Faculty: Academic Responsibilities.). At the Imperial Valley Campus, copies of syllabi should be provided to the associate dean.

**Office Hours**

All faculty members are required to have regularly scheduled office hours as part of their assigned direct instructional workload. A schedule of office hours and office phone number should be posted next to your office door, with a copy provided to the department/school.

**Course Materials**

Textbooks, instructional materials, and software may be ordered from the course materials staff at the [SDSU Bookstore](#) and/or [Montezuma Publishing](#), its custom publishing division. The SDSU Bookstore also operates the campus bookstore store at the Imperial Valley Campus in Calexico. Course materials staff (x4-7540) will assist with course history information, publisher contacts, and delivery timeframes. Timely orders will help the campus provide affordable options to students and facilitate conversion to electronic formats needed by students with disabilities. *It is never appropriate for an instructor to charge students directly for course-related fees or materials that he or she has produced or collect royalties or fees from the publisher of materials used exclusively on the SDSU campus.*

**Student Abseinces and Accomodations**

Within the first two weeks of class, a student who expects to be part of an official university event or activity (athletics, performances, etc.) shall notify the instructors of affected courses and provide them a schedule indicating any class days that will be missed. When possible, the instructor shall reasonably accommodate the student’s required absence from class. The [Policy File](#) states that instructors must accommodate students who notify them in advance of planned absence for religious observances, and CA Education Code §89320 requires that students be permitted to take a test or examination at a time when it does not violate the student’s religious creed, even if the student fails to provide adequate notification.

**Examinations**

Major comprehensive final examinations are to be held at the time and place designated in the final examination schedule listed in the [Class Schedule](#). Major exams are not to be administered during the final two weeks of class.
Grading
Grades are submitted through WebGrades in the SDSU WebPortal. Faculty members are expected to submit final grades by the Senate-defined deadline. All courses are graded on a 4-point scale, A through F (with optional plus and minus grading, A- through D-) unless departures from this standard are authorized. Grading practices and patterns are expected to meet the highest professional standards of objectivity, fairness, and accuracy. Adequate records shall be kept for seven years, and a faculty member leaving the university is expected to give grade records to the department chair or school director.

- **Incomplete (I):** At the instructor’s discretion, students may be assigned the grade of incomplete (I) when a significant component of the course has not been completed by the end of the term. An agreement between the student and the instructor specifying the work to be completed within one year must be filed in the department/school office. If the I is not removed within one calendar year, the grade shall be counted equivalent to an F.

- **Withdrawal Unauthorized (WU):** WU is an administrative grade that may be given to a student who is enrolled in but who has neither appeared in nor withdrawn from the class.

- **Credit/No Credit (Cr/NC):** An undergraduate student may elect to be graded Cr/NC subject to a number of conditions that are outlined in the General Catalog. A grade of “Credit” is given when the student has achieved the equivalent of a C (2.0) in all graded work. A grade of “No Credit” is given when the student’s work is equivalent to a C- or below.

- **Audit:** A student may enroll as an auditor with the permission of the instructor, after all students eligible to enroll on a credit basis have been accommodated. Auditors pay according to the same fee structure as credit students and are expected to attend class regularly. Auditors who fail to attend regularly may be dropped administratively by the instructor.

- **Change of Grade:** Course grades are the responsibility of the instructor, and, except as specifically authorized by policies and procedures approved by the Senate (i.e. in the Student Grievance Code), no grade may be assigned or changed except by the instructor. When an error occurs, correction should be made as promptly as possible. Access the “grade change” section of WebPortal to raise a grade or change an I, RD, or RP grade. Approval from your college dean is required to lower a grade.

Student Evaluations of Faculty
Student evaluations are a required element of the performance review and periodic evaluation processes. All student evaluations are conducted online through our WebPortal. Faculty members may use other evaluation instruments, such as mid-semester surveys, to elicit feedback on student learning, but these may not substitute for formal, anonymous student evaluations.

Students with Varying Abilities
Please include a statement on your syllabus affirming your intent to provide accommodations for students varying abilities. SDSU’s Student Ability Success Center suggests the following: "If you are a student with a disability and believe you will need accommodations for this class, it is your responsibility to contact the Student Ability Success Center at (619) 594-6473. To avoid any delay in the receipt of your accommodations, you should contact the Student Ability Success Center as soon as possible. Please note that accommodations are not
retroactive and that I cannot provide accommodations based upon disability until I have received an accommodation letter from the Student Ability Success Center. Your cooperation is appreciated.” To learn more, visit the Student Ability Success Center website.

**STUDENT DISCIPLINE**
Student disciplinary procedures follow system-wide guidelines established by the Office of the Chancellor. (See Section 41301 of Title 5 for more details.) The Center for Student Rights and Responsibilities, SSW-1604, x4-3069, is responsible for reviewing alleged offenses and coordinating disciplinary procedures to ensure due process.

**CHEATING AND PLAGIARISM**
Faculty may reduce a student’s grade for an assignment or course as a response to academic dishonesty. In order to coordinate information to permit appropriate disciplinary action for first-time and repeat offenders, faculty members must file an academic dishonesty report with the Center for Student Rights and Responsibilities.

**STUDENT PRIVACY**
Faculty members are responsible for protecting the privacy of student education records under the Family Rights and Privacy Act of 1974 (FERPA) and the California Information Practices Act. Faculty may not publicly post grades, return papers via an open system (such as leaving them on a table or in a box outside the door), mass e-mail a class with students’ email addresses visible in the “to” line (see Student E-Mail Address Use Policy and Procedures), or discuss a student’s academic record with any person who does not have a legitimate educational purpose.

**STUDENT SAFETY**
Faculty members have a responsibility to provide students with a safe and healthful environment by (a) informing students of all risks inherent in class, lab, or field trip activity including dangerous substances, equipment, or procedures; (b) instructing students on how to properly and safely handle all dangerous items or activities; (c) exercising a degree of supervision over student activities commensurate with the possible degree of hazard involved; (d) enforcing all applicable safety regulations developed by the department/school; and (e) informing students of campus emergency procedures and explaining their application to the instructional setting.

**FIELD TRIPS AND OFF-CAMPUS ACTIVITIES**
University liability policy requires that all classes be held on campus or at officially approved venues, but the university recognizes that field trips and some other types of off-campus activities that have a direct relationship to the course can provide an important dimension to the educational experience. See your department chair or school director for support in planning the event. See Field Trip Guidelines and Forms for more information. Students enrolled in Nursing, Allied Health, Social Work, or Education credential programs of the CSU, who also perform community service or volunteer work for academic credit, are covered by the Student Professional Liability Insurance Program (SPLIP). Other CSU students performing community service or volunteer work for academic credit OR students enrolled in radio, television, or film academic programs of the CSU are separately covered by the Student Academic Field Experience for Credit Liability Insurance Program (SAFECLIP). Anytime a student is engaged in an off-campus service learning experience in conjunction with a course for credit, a completed Service Learning Agreement must be on file.
PROFESSIONAL GROWTH: RESEARCH, SCHOLARSHIP, AND CREATIVE ACTIVITY

Research, scholarship or creative activity is an essential part of tenure-track and tenured faculty appointments. Research Affairs is the central university office with oversight of research advancement, management, regulatory compliance, research assurances, and activities related to intellectual property development and technology transfer, including the Human Subjects Institutional Review Board (IRB), Animal Care and Use Program, Research Integrity and Regulatory Compliance, Institutional Biosafety Committee, and Intellectual Property and Technology Transfer. Additional research-related codes and policies are in the Senate Policy File. Internal support opportunities are available through the University Grants Program (UGP), to which faculty can apply for up to $10,000, to support course release, summer stipends, student assistant funds, travel and equipment, and other assistance. The SDSU Research Foundation assists SDSU faculty and professional staff in developing and administering externally funded projects. The Research Foundation is located in the Gateway Center, 5250 Campanile Drive, x4-1900.

The Technology Transfer Office serves the faculty by protecting and commercializing inventions and creative works produced through research. Services provided by the TTO include obtaining intellectual property protection for faculty inventions and creative works, negotiating licenses to faculty IP, distributing royalties to faculty inventors and creators, handling the intellectual property terms of sponsored research agreements, signing confidentiality agreements related to faculty research, marketing faculty creations, reporting inventions produced through federally sponsored research, implementing Senate Policy on IP, and providing advice to faculty on IP and commercialization. As one of the chief resources on innovation on campus, the TTO strives to turn faculty ideas into impact. Learn more about how the TTO can help at https://research.sdsu.edu/tto, or disclose a new invention or creative work at https://sdsu.inteum.com/sdsu/inventorportal/login.aspx.

Library and Information Access supports the curricular and research needs of the university community through the development of collections, the provision of services designed to facilitate access to information, and assists students in learning to navigate the complex universe of information resources. The basic faculty loan period for books is 183 days (6 months), with one renewal allowed. All books are subject to recall after a period of ten days. Library users can view their own circulation records, renew books, and make document delivery requests online. Proxy cards are available at the Circulation Desk for graduate assistants or others authorized to use a faculty member’s library card. Reserves enable faculty to place course materials on short-term loan for periods of two hours, 24 hours, or three days.

• Subject Specialist Librarians are available to work with you on acquiring and accessing library materials and resources and developing instructional resources for your students.
• Information Literacy Instruction Librarians offer a wide range of instruction and tours, from basic orientation through highly specialized research guidance.
• Research Services (x4-6728; eref@sdsu.edu, text 619-567-9743) is located in Library Addition, 1st Floor. As a faculty member, you may send your students to work with reference librarians, or you can arrange a classroom Library Instruction Session.
• Special Collections and University Archives houses rare, fine, unique, and valuable books, periodicals, manuscripts, and documents, which require preservation, security, and care in handling. Collection strengths include: early astronomy and other sciences; natural history; printing and the book arts; surfing; popular sheet music and the performing arts; Edward Gorey;
American science fiction; zines and comics; alternative religious movements; and San Diego university, community and area history. Tours and instructional sessions that make use of the Special Collections and University Archives are welcome.

POLICIES AND WORKPLACE EXPECTATIONS

This handbook is a condensed guide to campus regulations and policies. The law authorizing and controlling The California State University is Title 5 of the California Code of Regulations. The SDSU Senate, a body of some 95 members mostly elected by and from the faculty, with some representation from staff, students, and administrators. Key policies created by the Senate are codified in the Policy File. Other university policies and procedures are governed by the Collective Bargaining Agreement (CBA) negotiated between the Board of Trustees of The California State University (CSU) and the California Faculty Association (CFA).

PROFESSIONAL RESPONSIBILITY

The faculty at SDSU subscribes to the 1987 Statement on Professional Ethics by the American Association of University Professors. Collegiality is a hallmark of professional ethics; faculty members are expected to work cooperatively with their colleagues and to treat staff members and students with respect.

Nondiscrimination/Equal Opportunity/Diversity

SDSU is a Title IX, equal opportunity employer and does not discriminate against individuals on the basis of race, religion, color, sex, age, disability, marital status, sexual orientation, gender identity and expression, national origin, pregnancy, medical condition, and covered veteran status. SDSU policies also affirm the university’s moral commitment to the rights of all persons to equal opportunity in an environment open to free access and expression. SDSU is a community of men and women who are diverse racially, ethnically, linguistically, culturally, in class background, national origin, religious and political belief, age, ability, and sexual orientation. The SDSU community welcomes this diversity and is committed to celebrating the richness of ideas, traditions, and understandings as bridges to unleashing creativity and innovation in an academic and professional atmosphere of belonging and inclusion.

Employees with Disabilities

SDSU provides accommodations for faculty members with qualified disabilities. If you are in need of accommodations, please contact your department chair/school director or the Office of Employee Relations and Compliance (x4-6464; erc@sdsu.edu). The Assistive Equipment/Auxiliary Assistance Program is designed to provide one-time limited funding for accommodations or auxiliary aid to employees with disabilities.

Harassment, Discrimination, and Retaliation

The CSU forbids harassment, discrimination, or retaliation against students, staff, and faculty members, including sexual harassment. All faculty members who directly supervise students must take a state-mandated two-hour online sexual harassment training course. If you believe you have been subjected to harassment, discrimination, and retaliation or witness or receive a report from a student of harassment, discrimination, or retaliation, please contact the Office of Employee Relations and Compliance (x4-6464; erc@sdsu.edu). At IVC, students should contact the Assistant Dean for Student Affairs (768-5502).
WHISTLEBLOWER COMPLAINTS AND RETALIATION  
California Government Code §8548 requires SDSU to inform employees of the California Whistleblower Protection Act. This law provides SDSU employees the opportunity to report improper activities to the California State Auditor. The State Auditor investigates illegal acts like theft, fraud, or conflicts of interest by state employees; misuse or abuse of state property or time by state employees; and gross misconduct, incompetence, or inefficiency by state employees. Employees may report incidents directly to the State Auditor via the California Whistleblower Hotline at 1(800) 952-5665 or by mailing concerns to Investigations, California State Auditor, P.O. Box 1019, Sacramento, CA 95812. Concerns about campus practices may also be reported to the Associate Vice President of Administration by calling x4-6017. In addition, the California Whistleblower Protection Act protects employees from unlawful behavior after concerns are reported. California State University Executive Orders 929 and 822 protect SDSU employees from retaliation for reporting such information. Concerns about retaliation should be reported to the Associate Vice President of Administration at x4-6017 or directly to the CSU Vice Chancellor for Human Resources, California State University Chancellor’s Office at (562) 951-4455. See the Office of Employee Relations and Compliance for more information.

NEPOTISM  
SDSU judges persons appointed to academic and staff positions at SDSU on their merits only. Immediate family members of employees, including faculty members, may be considered for hiring to fill any position, academic or non-academic. However, faculty employees may not participate in any institutional decision involving a direct benefit such as appointment, retention, promotion, salary, or leaves to members of their immediate family. Nor may they directly supervise a family member as an employee or student. When a direct line of authority exists between two employees, CSU policy requires that a plan covering all personnel matters be developed with the dean or director. See SDSU Nepotism Policy and nepotism forms on the Faculty Advancement website.

PERSONAL RELATIONSHIPS IN THE WORKPLACE  
Faculty members shall not engage in affectional or sexual relationships with anyone over whom they have instructional, supervisory, or evaluative authority. Faculty members should take care that their interactions with students follow the highest standards of professional conduct. Behaviors that an instructor may consider to be supportive, friendly, or jocular may be interpreted as harassing or stalking by a student. Faculty members should be especially cautious about socializing with students in environments that serve alcohol and should never drink with underage students. Faculty members must not “cover” for a colleague who is inappropriately engaged with a students or someone over whom they have authority; doing so puts the university and all parties involved at risk. Faculty members who have family members at SDSU should consult with their chair about submitting a conflict of interest management plan to ensure that any evaluative, supervisory, or instructional conflicts of interest are managed.

ALCOHOL AND SUBSTANCE ABUSE  
Alcohol is not permitted at events unless approval is requested under the SDSU Alcohol and Other Drugs Administrative Policies and Procedures. The university prohibits the manufacture, distribution, dispensation, possession, promotion, sale, or use of illegal drugs or other illegal substances, illegal drug paraphernalia, or look-alike (simulated) illegal drugs while performing work for the university, on university property, or in university vehicles. See SDSU Alcohol and Substance Policies.
SMOKING
San Diego State University is a completely smoke-free campus. Smoking is not permitted in or outside buildings, including auxiliary buildings and parking areas. See SDSU Smoke-Free Policy.

POLITICAL ACTIVITIES
California Government Code §8314 states that it is unlawful “for any elected state or local officer, including any state or local appointee, employee, or consultant, to use or permit others to use public resources for a campaign activity, or personal or other purposes which are not authorized by law.” SDSU faculty are government employees and may not use university resources (computers, telephones, printers, supplies, or other equipment) for personal or political purposes. This does not include “incidental and minimal” use for either personal or political purposes, such as receiving unsolicited political messages, making an occasional local telephone call, or playing computer solitaire during a break from your academic work.

LIABILITY
The CSU is obligated to provide employees with a defense in litigation where it is alleged that the employee did something or failed to do something within the scope of employment and where the conduct is not the result of actual fraud, corruption, or malice. If you are contacted by an attorney in connection with your work at SDSU, please do not respond before you contact the Associate Vice President of Administration, Jessica Rentto (x4-6017, jrentto@sdsu.edu).

OUTSIDE EMPLOYMENT
Additional outside employment shall not conflict with a faculty member’s normal work assignments or satisfactory performance of duties. The faculty member may be required to provide a written statement that details the amount and distribution of time devoted to continuous outside employment to their dean’s office each semester.

TRAVEL AND ABSENCE FROM CAMPUS
All professional travel requires the submission of a T2 form prior to departure, at least ten days in advance for in-state travel and out-of state travel, and forty-five days for foreign travel, even if reimbursement is not requested. Travelers must complete and submit the Foreign Travel Insurance Form at least forty-five business days prior to departure from the U.S. to ensure timely processing. For more information visit the Foreign Travel section of the BFA website. Traveling to high-hazard countries requires forty-five days’ notice. High-hazard countries are listed on the Alerts and Warnings section of the U.S. Department of State’s website, and the CSU Warning List. There are also restrictions on state-funded travel to states with laws discriminating against LGBTQ+ communities; more information is available here.

OTHER CAMPUS OFFICES AND RESOURCES
Analytic Studies & Institutional Research (ASIR) provides official university information to the SDSU community, the California State University Chancellor’s Office and external agencies. Visit ASIR’s website to access reports on applications, enrollment, student profiles, continuation and graduation rates, and so on.
The **College of Extended Studies (CES)** is the principal education/training outreach liaison with the local communities of San Diego and Imperial counties. Major programs administered/offered by CES include Open University, which enables non-matriculated students to enroll in university courses on a space available basis, with the consent of the instructor, and Special Sessions, which provides a mechanism to offer departmentally approved resident credit courses that are not available through the general fund.

**Instructional Technology Services** (ITS) provides support and leadership to the university in the effective uses of technologies for enhancing learning, as well as facilitating research and strategic initiatives.

The **International Student Center** (ISC) serves as a resource crossroads for international students seeking educational opportunities at SDSU, and for SDSU students seeking educational opportunities abroad.

The **Office of International Programs** (OIP) is the primary contact for international programs and visiting scholars, and represents the university on international matters to external agencies and institutions. It organizes workshops on Fulbright faculty grants and other opportunities.

The **Aztec Recreation Center** (ARC) includes a fitness room, weight training room, cardio room, climbing wall, and four multi-purpose gyms for basketball, soccer, and volleyball. The ARC provides 60-plus group exercise classes, intramural sports leagues, and wellness seminars. There is no initiation fee; monthly membership fees are very reasonable and do not increase as long as you maintain membership. The award-winning **Aztec Aquaplex**, located adjacent to the Tony Gwynn baseball stadium, offers SDSU faculty excellent swimming and diving facilities.

The **Faculty-Staff Club** is located east of Hepner Hall in the heart of the old campus. The Club invites all employees of the university and its auxiliaries to enjoy the benefits of membership, which remains in force with the payment of a continuous monthly fee of $10. New full-time faculty and full-time staff are offered six months free membership. To reserve tables for lunch or rooms for meetings, call x4-5178.
### QUICK REFERENCE RESOURCES FOR FACULTY
