Case Preparation
- Obtain electronic signatures for reviewing bodies for evaluation letters
  - DEPARTMENT LEVEL: Department/School Peer Review Committee Chair and Department Chair/School Director
  - COLLEGE LEVEL: College Peer Review Committee Chair and Dean
- Department Coordinators should be responsible for adding peer review committee members to Interfolio for respective units (e.g., “AMIND – Lecturer Peer Review Committee”). Department Chairs/School Directors will be globally updated by Faculty Advancement.
- College RTP Reps should be responsible for adding college level committee members to Interfolio. Deans will be globally updated by Faculty Advancement.
  - From your dashboard, under Review, Tenure, and Promotion module, select the drop-down next to "Manage," and select "Users and Groups"
  - Select the "Committees" tab
  - In the "Search Committees" bar, type the unit name of the member you'd like to update, select the pencil to the right of the committee name to edit
  - Remove existing committee members that are no longer serving on committees by selected the “X” by their name.
  - In the "Search Users" bar, type the first name of the member you'd like to add to this committee, when the name appears, select "+Add" to the right of the name
  - After you've added all of the names, click "Update"
  - Do not select the star next to these names unless you want to assign someone as a committee manager; committee chairs do not need this designation

Case Creation
- On your dashboard, select “View Cases” on the Interfolio Promotion & Tenure card.
- Create a case for each faculty member undergoing periodic evaluation using the designated templates in Interfolio P&T. **Please note: for faculty that are eligible for range elevation, please add a case review step for the dean on annual periodic evaluation templates.**
- Select “Create Case.” Another window will appear to select the organizational unit for the new case. Use the drop-down menu to select the appropriate department from the list of colleges at the university. Select “Confirm.”
- On the next screen, select the template which reflects the request that the candidate is making for periodic evaluation (i.e., “ENS –Annual Periodic Evaluation for Temporary Faculty”). **Only use templates with the departmental unit abbreviation as the prefix.**
- Fill out the Case Information:
  - First, “Search for a Candidate” in the search box, or if they are not in the database, add the candidate to the system by entering candidate’s first name, last name, and email address.
  - Will the Candidate Submit a Packet? Select “Yes.”
  - Do not add “Case Data Forms,” click “Continue”

Create Candidate Requirements:
• Enter WPAF/“Packet” submission date in the “Candidate’s Packet Due” field, click “Save.”
• Do not change “Instructions to Candidate.”
• Do not change “Packet Requirements,” click “Continue.”

Internal Case Sections:
• Do not change “Internal Case Sections,” click “Continue.”

Workflow of Case Review Steps:
• Do not change “Case Review Steps,” unless for special circumstances, such as recusing a member or for range elevation; click “Continue.”
  
  To recuse a member: Click the pencil icon to edit the step from which you want to recuse a member; Click the “Manage Administrators’” tab; Find the reviewer you want to recuse in the list of Administrators and click the recusal icon; Confirm your decision. After they are recused, the reviewer’s name will appear greyed out. The reviewer will lose access to the case when it moves to this step and regain access when it moves to case review step for which they are not recused, so be sure to recuse in all appropriate steps. Notice that you can also self-recuse.

  To add a case review step (for range elevation purposes): At the bottom of the page, click the blue button “+Add Step”; Another window will appear to Add Case Review Step. Enter the name of the step as “Dean”; use the drop-down menu under Standing Committee Name to select the dean (e.g., “SCI – Dean”), select “+Add,” and the system will take you back to the case review step list with the newly added step at the bottom. Scroll to the top and select “Reorder” to move the Dean case review step to after the department level reviewer’s step; click done.

• Review “Case Summary” page, make changes if necessary, and select “Return to Case.”
• Go to “Send Case”, using the dropdown menu, select “Notify Candidate” to inform faculty candidate that their case is ready for documents to be uploaded. (Use automated email message or see Sample #1.)

Bulk Case Creation

This feature allows you to create multiple cases at once. To use this feature, all cases must be in the same unit and require the same template.
• On your dashboard, select “View Cases” on the Interfolio Promotion & Tenure card.
• Create a case for each faculty member undergoing periodic evaluation using the designated templates in Interfolio P&T.
• Under “Create Case,” Use the drop-down menu to select “Create Multiple Cases”
• On the Case Setup Screen, follow the prompts
• In which unit would you like to create your cases? Search for or select a unit
• What type of cases are you creating? Select “Review” for periodic evaluations, and click Continue
• Will the Candidate Submit a Packet? Select “Yes.”
• Add 1 or more candidates, click the “+ Add Candidates” button
• In the “Search Users” bar, type the first name of the member you’d like to add to this committee, when the name appears, select “+Add” to the right of the name
• After you’ve added all of the names, click ”Done”
• Do not make any changes on the Summary & Confirmation Page, scroll to the bottom
• Would you like to notify candidates now, select “Yes”; a message box will auto-populate; see Sample #1 for details on formatting the message. Click “Send” when completed.

Once a candidate has submitted their packet it will automatically lock. Only department coordinators and the College RTP Representative can provide access to make changes to a submitted packet. If a faculty candidate has submitted their “Packet” and needs to change or edit materials, they will need your assistance in accessing the section for editing. To provide access, go to the candidate’s case, identify the section that needs to be unlocked, click and switch “Candidate Editing” lock to “Enabled.” Inform candidate when the section has been unlocked. The packet will automatically lock after candidate resubmits.

Moving Cases Forward/Backward in Bulk
• On the Case List page, select the box next to the cases you would like to move (forward or backward). An action bar will appear; on the action bar, select “Send Forward” or “Send Backward.”
• Note: When moving a case forward to a reviewing body, be sure to inform them in the message if an employee has requested range elevation, and for them to be sure to address it (approval or denial) in their evaluation letter.
  
  Another screen will open listing the cases that will be moved and to what case review step they will be moved to. The system will automatically select the box for sending a message to the candidate. Unselect the checkbox if you choose not to send a message. If you choose to send a message, you must include a subject and may use the message provided or see template notifications in this guide for other language. Click “Send” when you are ready to move the cases.
