Go to [www.interfolio.com](http://www.interfolio.com) > Sign In > Partner Institution > select San Diego State University from the dropdown menu and you will be directed to Single Sign On. Log in with your SDSUId as the username and password associated with your SDSUId.
- Problems with logging in?
- Make sure you are using Google Chrome.
- Double-check with department to make sure the correct email address was used.
- Double-check with department to make sure the correct email address was spelled correctly.
- Check your email Spam for email.

### 2. Interfolio Preparation

- Add peer review committee members to Interfolio for your respective unit (under e.g., “A&L – Asst Dean Peer Review Committee” – committees already created, just add members)

### 3. Creating Cases:

- On your dashboard, select “View Cases” on the Interfolio Promotion & Tenure card.
- Create a case for each faculty member undergoing periodic evaluation using the designated template (e.g., “STUAFF/A&L - Periodic Evaluations for Assistant Deans”)
- Select “Create Case.” Another window will appear to select the organizational unit for the new case. Use the drop-down menu to select “Dean’s Office” under your respective college at the university. Select “Confirm.”
- On the next screen, select the template which reflects the required evaluation.
- Use the drop-down menu to select the “Type” of case you are creating. Use “Review” for all periodic evaluations.
- Enter candidate’s name and email address.
- Will the Candidate Submit a Packet? Select “Yes.”
- Do not add “Case Data Forms,” click “Continue”
- Enter submission date (per the timeline) in the “Candidate’s Packet Due” field.
- Do not change “Instructions to Candidate.”
- Do not change “Packet Requirements,” click “Continue.”
- Do not change “Internal Case Sections,” click “Continue.”
- Do not change “Case Review Steps,” click “Continue.”
- Review “Case Summary” page, make changes if necessary, and select “Return to Case.”
- Select “Notify Candidate” to inform faculty candidate that their case is ready for documents to be uploaded. (Use automated email message.)

Once a candidate has submitted their packet it will automatically lock. Only administrators can provide access to make changes to a submitted packet. If a faculty candidate has submitted their “Packet” and needs to change or edit materials, they will need your assistance in accessing the section for editing. To provide access, go to the candidate’s case, identify the section that needs to be unlocked, click and switch “Candidate Editing” lock to “Enabled.” Inform candidate when the section has been unlocked. The packet will automatically lock after candidate resubmits.
