Each year, San Diego State University recognizes outstanding faculty for their contributions to the university or on behalf of the university to the community, the state, the nation, or the world of scholarship. The awardees each receive a monetary award from the SDSU Alumni Association and are recognized at Convocation in the Fall. Nominations may be made by faculty, staff, students, alumni, and persons from the community. Each nomination shall include: (a) a completed nomination form and (b) no more than four pages of justification. If you have any questions, please contact facultyadvancement@sdsu.edu.

**February 11, 2022**  Deadline to submit nominations due to the appropriate dean’s office.

**February 25, 2022**  College committee submits up to three unranked nominations to the Dean, except for colleges with fewer than 50 tenured, probationary, and FERP faculty, which may submit two unranked nominations. The committee should provide rationale for their selections that convey the value of each candidate’s contribution to teaching, research, and community service, as well as the significance and impact of the contributions to their field.

**March 4, 2022**  Deans forward unranked nominations electronically (including all supporting documents) to the Faculty Honors and Awards Committee (FHAC), in care of the Office of Faculty Advancement at facultyadvancement@sdsu.edu. Deans may submit a cover memo (optional).
